MEMORANDUM FOR: Members of Executive Committee

SUBJECT : Future Housing of CIA Units

In attempting to comply with Action Memorandum No. 217, it is fundamental to decide first the question of the location of the Clandestine Services. Kirk advises me that this will be the subject to be discussed at a special Executive Committee Meeting on Friday, 19 April. I am attaching hereto Mr. Dulles's memorandum of 21 August 1961 to McGeorge Bundy which may be helpful in preparing your thoughts for the discussion on Friday.
